An exceptional property for those seeking spaciousness, privacy, and the Mediterranean quality of life. Set on a spacious, flat lot of 25,364 sqm, this newly built finca is located in the municipality of Llucmajor, just a few minutes from Campos.

The modern architecture combines traditional Mallorcan natural stone facades with generous glass surfaces and light-filled rooms. With 305 sqm of living space, you'll find a well-thought-out floor plan featuring 3 bedrooms, each with its own bathroom. The open-concept living area with a fireplace and the spacious kitchen with a cooking island create a stylish ambiance for relaxing moments and social evenings.

Large windows offer views of the Mediterranean landscape and lead directly to the terraces and the private swimming pool.

A private well and an electrical connection ensure an independent supply. Underfloor heating with a heat pump provides comfortable living conditions year-round.

Месторасположения и окрестности:

In terms of surface area, Llucmajor is the largest municipal county on the island of Majorca and is located in the south. Its population amounts to 20,000 inhabitants.

The small city includes 4 supermarkets, some well loved cafés and tapa-bars, and even a thrice-weekly fruit and vegetable market, taking place in the very recently renovated town centre, with its Plaza de España and the second largest church on the island.

The picturesque hill-location of Randa on the mountain of the same name, which is the most elevated point in the island's centre, houses three sanctuaries, and is located slightly north of the town. Llucmajor has developed into an economic and popular residential location, due to the new motor-way connection to Palma.

The Marriott Son Antem Golf Resort and Spa, and nearby yacht clubs make Llucmajor an interesting and central location for planning pass-times and excursions.

The Es Trenc natural beach, one of the nicest on the island and with a Caribbean similarity, lies just 15 car minutes from Llucmajor.
