Описание объекта:

The attractive 2 levels villa is situated on a 867 sqm plot with pool and Mediterranean plants. The house has a constructed area of 188 sqm.

At the ground level there are a living-room, kitchen, a bedroom and a bathroom. Upstairs there are 2 bedrooms, a bathroom and a further bright and open room which would be ideal for an office. The pre-installation for an additional bathroom is done.

From both floors the villa offers excellent sea views and views to Cabrera island.

The door opening from downstairs is 90 cm, which makes an easy access for wheelchairs.

Месторасположения и окрестности:

Cala Pi in the municipality of Llucmajor is mainly the name of the pretty bay and the torrent from which surged the bay. Among divers it is popular for its crystal clear water, among families for its white and fine sand. The little village Cala Pi offers some restaurants and small shops but has remained quiet.
