Описание объекта:

This lovely chalet, newly-built in 2024 and designed by MinimalStudio, stands on a plot of 850 sqm in Crestatx and offers great privacy and tranquillity.

It is accessed via an elegant driveway which is surrounded by a well-maintained garden. Access is on the ground floor and leads into a spacious living/dining area with openly-designed kitchen, and large glass facades lining the living room create a bright ambience and provide views over the pool. Also on this level is a guest bathroom, and a large bedroom with en-suite bathroom.

The upper floor is comprised of 3 double bedrooms and 2 bathrooms, one of which is en suite, with the room layout offering ample space and flexibility. The entire living area is equipped with underfloor heating and centralised air conditioning with heat pump.

All windows are double-glazed to ensure energy efficiency and sound-insulation, and the upper sun terrace offers the ideal place for sunbathing whilst enjoying beautiful views over the surrounding nature.
